DAVE CLAYTON

Dave is a disciple, husband, and dad to 3 young boys. Along with his wife, he planted and helps lead Ethos Church, a young, urban church in Nashville, TN that is passionate about reaching the lost, serving the poor, and releasing ordinary people to plant churches all over the world.

In addition, he is the founder and lead visionary for Onward, a global family of leaders who are committed to making disciples and planting churches across the world and Awaken Nashville, a city wide movement unifying churches in strategic initiatives of prayer and fasting in the greater Nashville area. In the last two years, Dave has led over 600 churches in the Greater Nashville Area to join together to fast a pray for 30 days each year. This included over 40,000 people who used Dave's book as a tool for fasting and prayer in 2020.
